INTERNAL MEMORANDUM

SHOW NAME, TITLE AND CORPORATION OF ADDRESSEE AND ADDRESSOR

TO: M. S. Cohn/Frank Higham

Sept. 14, 1971

DATE

FROM: P. D. Weisse, Vice President-Mfg. Group, Cerrocorp

SUBJECT: Discharge of liquids into public waters.

The U. S. Corps of Engineers requires a permit for the discharge of liquids into public waters. Have the plants under your jurisdiction filed their applications as required by law?

Mr. G. W. Vose and Mr. Grant Laughlin in Central Engineering are fully qualified in environmental control matters. Arthur Raub, Chief Engineer of the Mining Group, has volunteered their professional assistance in the event that you need it.
